

saai'06

seminario anual de automática, electrónica industrial e instrumentación

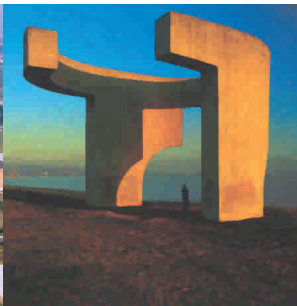

G I J Ó N

The Seminario Anual de Automática, Electrónica Industrial e Instrumentación will be held, in its thirteenth edition, in the Palacio de Congresos de la Feria de Muestras in Gijón (Spain), from September 13th to September 15th 2006.

SAAEI'06 is a place to meet researchers and specialists in the topics of interest of the Seminar. The official languages of the conference are Spanish and English.

The Seminar will accept papers showing original work in the field of automatics, industrial electronics and instrumentation.

General Chairman

Javier Sebastián, UO

Technical Program Chairs

Arturo Fernández, UO
Juan Martín Ramos, UO

Local Committee

Marcos Alonso, Antonio Calleja
Jesús Cardesín, Juan Díaz
Francisco F. Linera, Jorge García
Diego G. Lamar, Marta Hernando
Miguel J. Prieto, Juan M. Lopera,
Emilio L. Corominas, Alberto M. Pemía,
Juan A. Martínez, Fernando Nuño,
Javier Ribas, Manuel Rico Secades
Sergio Ruiz, Pedro Villegas

Scientific Committee

Francisco J. Azcondo, UC
Andrés Barrado, UC3M
Fernando Briz, UO
Juan Carlos Campo, UO
Manuel Castro, UNED
Francisco Ferrero, UO
José María Ferrero Jr., UPV
Oscar García, UPM
Aurelio García-Cerrada, ICAI
Francisc Guinjoan-Gispert, UPC
Andrés Iborra, UPCA
Mar Martínez, UC
Abelardo Martínez-Iturbe, UZA
Iñigo Oleagordía, UPV/EHU
Franciso Pérez Murano, CNM
Esteban Sanchis, UV

To improve the review process, the interest areas of the Seminar have been divided in the following topics:

Topics of Interest

Power Conversion Techniques
Control Techniques for Power Converters
Renewable Energy and Power Quality
Control, Design and Diagnostics of Electrical Machines
Instrumentation and Measurement Systems
Design and Test of Analog and Mixed Circuits
Micro and Nano sensors
Bioelectronics
Industrial Applications
Education Applications

The paper should have a minimum length of four pages, including title, topic of interest, oral or poster preference, references, figures and tables. Outlining the work to be presented, it should consist of the objectives of the paper and the results obtained. The paper should not contain any information about the authors to ensure confidentiality. Information about the final format of the paper will be posted in the Seminar web page.

Important Dates

Submission of Digest: March 6th, 2006
Author's Notification of Acceptance: May 15th, 2006
Submission of Final Manuscripts: June 12th, 2006

Paper Submission

To be considered for the conference program, authors should submit electronically in pdf format only: In order to improve the review process, the digest should be sent with a format as close as possible to the final paper and without the author's name. Hence, the paper must include:

- The Title
- An abstract of 300 words maximum.
- Key equations, figures and tables.

The paper will have a minimum length of four pages and a maximum length of six pages. Papers not complying with this rules will not be considered for the Seminar program.

References will not be included in the digest but they will be sent electronically through the web page.

More detailed information can be found at www.saei.org

Registration

All SAAEI'06 participants must register. At least one author of each paper must register for the conference with a full registration. Authors may register up to three papers with no additional paper fees.

Students will have a reduced registration fee.

Seminar Location

The Seminar will be held at the Palacio de Congresos of the Feria Internacional de Muestras in Gijón, which has a total surface of 160.000 m², and is permanent location of large pavilions (2.500 to 5.000 m²) and small ones, surrounded by garden zones turning the place into a very singular one.

The Palacio de Congresos, was built in 1990, enlarged in 1998 and modernized in 2001. It combines classical shapes with modern architectonic elements. Furthermore, several hotels are placed in the close surroundings so that participants can access the location by walk.

Other Events

The IEEE PELS-IES Spanish Chapter will hold its annual meeting during the Seminar.

If you need more information, please contact SAAEI'06 secretariat
